-

Achievements and Certifications

- Certification of Participation: **Meta Blue Limited Webinar**
 - Certification of Completion: **Salesforce Supported Virtual Internship Program 2025 – Philippines**
 - Certificate of Attendance - **StackLeague x Manulife Tech Session: Modern IT Delivery on Cloud**
 - AWS Academy Graduate - Cloud Foundations - Training Badge
 - AWS Academy Graduate - Generative AI - Training Badge
 - AWS Academy Graduate - Cloud Architecting - Training Badge
 - Certificate of Completion — AWS Internship Program, Accenture (2026)
-

Projects / Capstone

Automated Payroll System and Attendance Monitoring (On Going)

- Developed a web-based payroll system with biometric attendance, database design, payroll computation logic, and Spring Boot–Thymeleaf UI.

Room 404 (Unity Mystery Game Project)

- Created a 2D narrative puzzle game in Unity with interactive dialogues, scene transitions, and C#-based puzzle and inventory mechanics.

Library Management System (Java Swing) – 2023

- Built a desktop-based system with book cataloging, user authentication, and transaction management using Java Swing and Ms SQL server.

Shoe E-Commerce Website (2024)

- Developed a web-based shoe store with XML data storage, secure login, cart and transaction handling, and an admin panel using PHP, HTML, CSS, JavaScript, and AJAX.
